The REACH, Inc. Monthly Newsletter

January 2023

## From the Desk of Dan:

Greetings from REACH, Inc.!

2023 is off to a great start! Our group homes - which you'll see more about later in this newsletter - are being filled with residents and we're actively recruiting more staff to help us better support the individuals we serve.

The REACH administration staff are happy to be collaborating in-person again at the main office, as COVID-19 enters our rearview mirrors. Rest assured,

we are continuing to practice safe work habits to ensure the health of our employees.

Thank you for the trust you place in REACH to provide the essential services you rely on.

Sincerely,

Dan Elstad  
Executive Director

## Group Homes are Filling Up:

We're excited to announce that the Steelhead group home is fully occupied! Thanks to Hannah Ashenfelter, REACH's Director of Operations, and her team, we've been able to find the best way to support these individuals in a group home setting. If you would like more information on our group homes or any other services, please call 907-586-8228.
