From the Desk of Dan:

Greetings from REACH, Inc.!

Gratitude season is here and I cannot express how thankful I am for the direct service providers, job coaches, custodians, shredders, accountants, HR professionals, and the rest of the administration staff that work tirelessly to fulfill our mission. Every day I come to the office for the workday, I am greeted by the best and most hardworking staff. Each person employed at REACH is critical to creating communities free of barriers for people with disabilities.

ALSO! I want to express my deepest thanks and gratitude to all the individuals who trust REACH to provide them with the best possible services and care. You all are the reason we do our important work because you all are awesome!

Sincerely,

Dan Elstad
Executive Director

Infant Learning Program Update:

The Infant Learning Program (ILP) team who provide support to young children aged 0-3 and their families have been busy moving into a new larger therapy space in the building. In addition to providing all of their regular services they are excited to use that space for a weekly "Movement and Music" playgroup for enrolled families on Wednesday mornings. Stay tuned for more group offerings this Fall including postpartum parent support and infant massage.

We Want to Hear From You:

Winter is here, and so is our survey time! Every year, REACH offers YOU an opportunity to give your opinion about the services you receive from REACH. Please check your mailboxes for the paper survey option and your emails for the electronic version. The feedback we receive from our annual survey helps to improve and expand our services. Thank you for helping us be better for you!
