The REACH, Inc. Monthly Newsletter

July 2023

From the Desk of Dan:

Greetings from REACH, Inc.!

I have some news to share about The Canvas Art Studio and Gallery. We're sad to announce that The Canvas is officially closed - partly due to the COVID-19 pandemic as well as funding cuts from the State of Alaska. The Canvas was more than just another art class venue. It was a gathering place where community members of all abilities and interests came together to celebrate the joys of living, artful and meaningful lives. I am grateful to everyone who made The Canvas an inclusive, fun, and welcoming space!

The studio and gallery is being converted into commercial space for lease and we are excited to announce that local Juneau business owner, Morgan Johnson with The Plant Studio, will be our new lessee! After some initial renovations, Morgan plans to move her plant store into the back half of the space. For the gallery and ceramic studio space, she will be firing up those kilns and creating an artist membership co-op for ceramic artists to make and sell their goods. If you have any questions about our newest venture, please feel free to call me at 907-586-8228.

Sincerely,

Dan Elstad
Executive Director
